

North Carolina

General Order # 2

28 July 2022

Comrades,

1. We have been working on updating our department webpage, www.vfwnc.com. It is a work in progress as we have added and removed some items and added some items to review GO#1 for all chairpersons. The last weekend in July and the first weekend of August both Saturdays and Sundays throughout the state we will be holding schools of instruction.
2. With this, we will be hopefully rolling out our new tracking system for the department that will mimic the all-American dashboard. This will reduce the amount of work for posts, districts, and department for tracking purposes of requirements and items that need to be done yearly i.e. (bonds, 990s, and audits).
3. I would also request that all posts and districts with their own by-laws or Sop's for post and canteens send a copy to the department so we can retain it on file. As many of you have probably done this before in the past as we know we have had some personal changes at the department HQ, we would like to have a new set as with new commands at the post and district levels it is good to review these items as well.
4. Review GO#1 for dress protocol for the department for upcoming district meetings polos and slacks are authorized to wear for department representatives as it makes it more comfortable to travel in.
5. July 15th to July 21st the National convention will be held in Kansas City, Mo. 30th September to 2nd October will be the fall C of A held in Greensboro, NC. 27th October to 30th October will be the Southern Conference in Asheville, NC. The Fall C of A will have a banquet with a western wear theme; also we will be trying something new involving the Grand of NC Cooties will be having their fall C of A at the same weekend, same location.
6. We had a successful convention in Kansas City, Missouri this month congrats to all posts and districts that made All-American; also congrats to PSC Russ Chambers for achieving his All-American Department Commander Cover.

North Carolina

Thank you for all you do in helping veterans every day. Let's keep this ship moving "Full Speed into the future"

A handwritten signature in black ink, which appears to read "Tim Woods". The signature is fluid and cursive.

Tim Woods

VFWNC Commander
