Our Mission: To foster camaraderie among United States veterans of overseas conflicts. To serve our veterans, the military and our communities. To advocate on behalf of all veterans.

Our Purpose: Established in 1899, the Veterans of Foreign Wars is the longest-lasting and largest combat veterans organization that supports millions of service members and their families – entirely for free.

Who We Are: Today, membership stands at more than **1.5 million members of the VFW and the VFW Auxiliary**. However, the VFW's reach extends far beyond its membership, auxiliary members and family members. VFW leaders are often leaders in their communities and are frequently utilized as military matter resources by local politicians and news outlets. Every day, men and women who have bravely defended our freedom continue to serve in ways outside of the military. The VFW highlights those veterans who are actively involved in their communities helping others through the **#StillServing** social media campaign which is a way to showcase and honor their ongoing commitment. *Read more about the campaign at todaysvfw.org.*

The VFW has many programs and services that work to support veterans, service members and their families, as well as communities worldwide such as **National Veteran Services, National Legislative Service, Unmet Needs grants, VFW's "Sport Clips Help A Hero Scholarship" program, Voice of Democracy and Patriot's Pen scholarship competitions.** *Read more about the VFW at vfw.org.*

OUR IMPACT MATTERS.

VFW NATIONAL CONVENTION

The annual VFW National Convention is a high-profile event attended by thousands of veterans and their families. The VFW is such a respected organization that many government and corporate leaders have come to speak before our attendees. The VFW members, VFW Auxiliary members and their families represent a population that is patriotic, loyal, and enthusiastically supports the companies that support them.

There are many opportunities to engage members attending the VFW's National Convention through sponsorship, advertising and exhibitions. The convention presents your organization with the opportunity to reach the thousands of attendees, including VFW leadership from all 50 states and U.S. territories, who represent the VFW's extended network of VFW members, VFW Auxiliary members and their family members.

The VFW looks forward to hosting your organization at the National Convention. From sponsoring special experiential exhibits and events to social media livestreaming reaching the online followers of the VFW, the convention experience presents unique ways for your organization to be involved.
