

VETERANS OF FOREIGN WARS

North Carolina

GENERAL ORDER #4

12/22/2022

1. Effective December 22, 2022, there is a change to the Adjutant/Quartermaster position. SVC Helen Nelson will be Pro Tempore through the 1 Jan 2023. Starting January 2, 2023, Comrade Jennifer Hutt (#4542) has been appointed as State Adjutant and Pro Tempore Quartermaster until the June 2023 convention. Please only use qm@vfwnc.com or adj@vfwnc.com to contact either position
2. Bass Pro monies are due to Department by 20 January, please do not delay. Last minute submissions only make things more difficult.
3. The February Council of Administration will be held February 3-5, 2023, at the Embassy Suites 204 Centreport Drive, Greensboro, NC. The link below works correctly for making your reservation. Also, as a reminder please call the department to reserve your banquet tickets, \$45. We will be recognizing our program winners.
<https://www.hilton.com/en/book/reservation/deeplink/?ctyhocn=GSOGBES&groupCode=CESVFF&arrivaldate=2023-02-02&departuredate=2023-02-05&cid=OM,WW,HILTONLINK,EN,DirectLink&fromId=HILTONLINKDIRECT>
4. Reminder to all to ensure your Posts are secure especially during the holiday season. There has been a rash of break-ins at Posts across the country. Sometimes its just booze being stolen, other times they take the whole safe and leave things damaged. Don't make yourselves an easy target Comrades.
5. Department is working diligently to get things caught up regarding reports and Dashboard entries. Not only are there changes happening at Department Headquarters but National as well. For example, reporting process for Buddy Poppies changed completely without any notice they we have found. Only a few months ago a Post could go in and make their own entry, not anymore. We are required to submit a spreadsheet to National then they will make the entries. This spreadsheet was submitted today and there will be plenty of green blocks coming for everyone on both Dashboards.
6. If you have a lot of contacts in your old email you do not need to manually re-enter them. For those computer savvy enough, go to Contacts in your old email, click export at bottom of the contact list. Go to Contacts in your new email and click Import. A pop up will ask you for password stuff, please ignore.

At the top of popup window, it will say Source, change it to the other option for .csv file. Import the .csv file you exported from old email wherever you saved it upon download.

- 7. If you are receiving multiple copies of emails, please contact training@vfwnc.com. We finally found the root of the problem. It has to do with emails being forwarded incorrectly, specifically those with multiple Department email addresses.
- 8. Please start using new emails immediately. All old emails will be permanently deleted end of January.
